SPONSOR'S COMMITMENT	Yes	No	Not Applicable
I am able and willing to assist my pilgrim in getting into a Reunion Group			
I have discussed the Walk to Emmaus with my candidate's spouse			
I will bring my pilgrim to the Emmaus site			
I will attend Sponsor's Hour			
I will attend Candlelight			
I will attend Closing			
I can care for the needs of my pilgrim's spouse and family over the weekend			
I have explained the post-weekend reunion to my candidate			
I am aware of the importance of minimal contact with my pilgrim during the weekend, (especially if the pilgrim is my spouse)			
My candidate has the physical and mental health for a Walk to Emmaus weekend			
My candidate is not under any temporary emotional strain that might indicate his/her weekend should be in any way delayed or postponed			
I understand that if my pilgrim has a serious illness, injury, or surgery prior to their scheduled walk that I must contact the registrar as soon as possible.			
I understand that both husband's and wife's applications should be submitted together. A note of explanation is enclosed with this application if only one is being submitted.			

I understand that the "Walk To Emmaus" is a cloistered event and that all persons working or attending events during the weekend have participated in and completed a walk or similar event. I will explain this to my pilgrim. We acknowledge that all participants, both pilgrims and team members will be missing spouses and children; so in fairness to all, it is requested that no family member or children be brought to any event during the weekend. The experience is to be one away from the distractions of every day life.
